G A R A G E D O O R S

OUR DESIGNER RANGE. INSPIRED BY ICONIC INNER CITY SUBURBS THAT REFLECT URBANITY AND SOPHISTICATION

SANDRINGHAM

The Sandringham offers a desirable minimalistic look that really complements today's modern homes. Available in a range of standard pre-paint finishes or can be powder-coated in a variety of colours to suit most applications.

ST KILDA

Our St Kilda panel provides clean linear lines designed to suit both traditional and contemporary homes, often prevalent in urban areas. Choose from our standard pre-paint colour range or from a comprehensive powder coat colour collection.

SUMNER

Timeless and elegant, the Sumner has a clean uncluttered look of wide weatherboard. A truly universal door that will complement most styles of home, particularly those of colonial and modern contemporary architecture.

INSULATED AND NON-INSULATED SECTIONAL GARAGE DOORS,
PROUDLY DESIGNED AND MANUFACTURED IN NEW ZEALAND.

Insulation

All our Urban Series Garage Doors are available with an optional extra of adding a lightweight, flexible insulation made in NZ from 100% thermally bonded polyester fibres designed to firstly absorb noise and add some form of thermal value.

Good looks, great value

Steel sectional garage doors are one of the most popular garage door types because of their clean good looks, mechanical simplicity, and the safeness of their operation.

With different specification options, AceDoors Urban Series gives you the flexibility to tailor your solution based upon your budget and requirements. All while still giving you the street appeal of AceDoors premium doors, and the assurance of AceDoors famous build quality.

AceDoors Urban Series Doors are the best option for the budget conscious buyer who doesn't want to sacrifice quality. Available in a selection of popular colours, manufactured in 0.4 BMT Coloursteel with an embossed finish across the range, three great styles to choose from there's a door to suit every home.

AceDoors uses the Merlin Commander Elite automatic opener as standard with all sectional doors. Unrivalled for quietness and packed with cutting edge technology and safety features, it is one of the best performing and feature-rich openers on the market.
